

Brokenwood Brycefield, Belford Hunter Valley Semillon

Vintage 2005 RRP \$36.00

TS: This is a very classy Hunter Semillon which is drinking delightfully now and for the medium-term. A bouquet of lanolin, lemongrass and fresh nuts introduces a fresh and backward palate with aged characters just beginning to build. It has great minerality, talc-like finesse and excellent purity and length.

Brokenwood Graveyard Hunter Valley Shiraz

Vintage 2007 RRP \$140.00

TS: Another epic Graveyard, with grand complexity, perfectly integrated French oak and tremendous line and length. It is built around subtle, lifted wood spice, dried herbs and game aromas. The palate is beautifully balanced with structured, fine tannins and exotic spice lift that builds on the finish. Drinking beautifully now, it will mature slowly for two decades.
