BROKENWOOD ILR Semillon 2004

February/March 2010

95 ★★★★★
2004 Brokenwood
ILR Reserve Semillon,
Hunter Valley, A\$45

At six years this is still a baby, yet it's starting to offer some more complex aromas and flavours than the youngsters. Toasty and lemony. Marvellous freshness coupled with a seamless palate of great finesse, lightness and balance. 10+

2005 Brokenwood
Brycefield Belford Vineyards
Semillon, Hunter Valley, A\$36

Waxy, lanolin, herbal and mineral aromas rocket out of the glass. There's a trace of buttered toast. This is a stunning semi-mature semillon, which has a youthful and lively palate presence. 10+
